

# Postal Merchandise Return Label

We have provided you this label for your convenience.

1. Print a label on your printer for each package you are returning.
2. In the upper left corner, fill in the "FROM" information with your name and address.
3. In the lower left corner, record your invoice and ID number.
4. Cut out the label.
5. Place the label squarely on the package covering any previous address and/or bar code.
6. Put clear tape around all four sides of the label and affix securely to the package.
7. Take your package to the Post Office nearest you, or drop in any collection box. The postage is prepaid so you do not need to pay for postage when using this label.

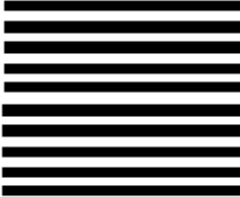

**NOTE: Returns using this label cannot be insured and are not traceable. We recommend you insure any package over \$100 or ship by UPS.**

**Do not use this return label for Health Tech items (Water Treatment, Air Treatment, Cookware, Clear Trak® Carpet Maintenance System). Instead, address your return to:**
